The Indications are that despite the action of the Democratic causes Mon-say night, the naval bill as it passes the House will provide for one battleship and other additions to the fleet in the form of artillary vessels.

where additions to the fleet in the form of auxiliary vessels.
Henry H. Ward, Sevretary of the Naxy League, pointed our yesterday that there are few ideas more dangerous to the sence of the country than the incorrect the that the United States occuries seched place among the mixal powers of he world. Even the recently published Naxal Vess. Hook, compiled by the dierk of the Senate Naval Committee, and argely used to guide Congress in its leitherations on naval questions, erroccough give the United States second lasts.

Speaking of the report from Rockville hat he will be a candidate for Congress that he will be a candidate for Congress
in the Republican primaries, Brainard H.
Warner, jr., Washington stierney and
resident of Kennington, yesterday declared he has made no public annumerment of his candidacy from the Sixth
Maryland, district.
Mr. Warner was a candidate for Congress in 1916, winning the Republicas
nomination from Gos Blair. He was defeated in the election by David J. Lewig,
a Democrat.

Teater in the section by bases 2. Lewis 2. Lewis 2. There made no public announcement oncerning my possible candidacy for Congress from the Sixth Maryland district. The dispatch from Heckythe to the effect that I was a candidate could have emanated only from an unfriendly source. My viett to Reckytlle was merely to attend to some private matters.

"A number of my friends have been injunctioning me to accept the nomination, but as yet I haven't reached a decision. I probably will be in a position to announce my decision within a month."

# **FAMOUS DETECTIVE** CALLS ON JURIST

W. J. Burns Renews Acquaintanc with Justice Wright After Lapse of Twelve Years.

An acquaintance begun twelve or more years am, during a hunt for a celebrated gang of counterfeiters, was renewed yearleeday by Detective William J. Burins and Justlee Daniel These Wright, of the District Supreme Quert, when the detective called upon the juriet and spent about half an hour in talking over old times. "I first met Justlee Wright twelve or more years ano when he was assistant prosecuting attorney in Cincionast," said Detective Burns, when seen at the New Willard last night. "At that time I was on the trail of Charles Uticle, a noted counterfeiter. Ulrich was located in Cincionast by Operative Denello, of the Secret Service. I went there and engaged a flat across the street from Ulrich and shadowed blm for three months. "Ulrich finally went to New York and I followed. In New York we succeeded in getting Ulrich to help us round up the band of crooka that was thoughing the country with bogus Edw gold certificates. In that raid Bill Bluckway, leader of the famous Brackway and Bradford were sent to the pentien-frames. Brackway and Bradford were sent to the pentientary for ten years such. Bradford dying botter in year such. Bradford dying found the men at 14 Anne atreet, West Bolower, and in rearching the place universe time since from the former than a such as a such

and every time since then when it has been convenient I have called upon him."

Asked whether any business of any kind was mentioned during his interview with Justice Wright, Mr. Hurns replied that it had not.

"My call was purely social," he said, "and to business of any kind was mentioned."

# ICEBOAT REACHES ISOLATED PEOPLE

Supplies Arrive at Leonardtown and It Is Believed Famine Is Averted.

Mechanicaville, Md., Jan. 31.-The terboat Aumpolis, from Battimore, arrived at Leonardizwen to-day besting supplies to the people of St. Mary County, who have been cut off from outside markets by the freeze for avveral weeks. The arrival of the Ahnapolis was greeted with prolonged chiers from the people who lines the wharf and hills above. Cut off from Battimore and Washington by the frozen river, Leonardizwen and neighboring places had about reached the end of their food aupply when the Annapolis arrived to the places had about reached the end of their food aupply when the Annapolis arrived to the places of the first twenty that trome river, Leonardiown and neighboring places had about reached the end of their food supply when the Annapoits arrived. The locboat is the first vessel that has reached the town for some time. The Northumberland, of the Marriand, betaware, and Virginia Line, is expected to reach Leonarddown within a day or two, a passange having been broken by the Annipoils.

The relief was sent in response to an appeal from F. O. Morgan, a mercannt of Leonarddown, who wired to William B. Hurst, at Baltinuore, yesteritay for assistance. Immediate action was taken by the Morehants and Manufartreers' Association, and Gov. Goldsborniugh ordered the Annapolis to proceed at conce to the stricken town.

Situation Is Exaggerated.

rives freezing over was the statement of Ernest Robinson, an employe of William A. Hall, tobacco merchant of Washington. Robinson's home is in St. Mary County, and through correspondence with relatives and because of reports from persons recently returned from there, he had be authoritatively to deny dispatches telling of the dire need of the inhabitants of that section. He says. Robinson states that on Menday an automobile truck loaded with goods was sent to Locaractown by Mr. Hall, his employer. The truck returned to Washington Tuesday evening. The men who went with the truck, and Mr. Hall, who has spent two weeks in the county on tentes, and the truck and Mr. Hall, who has spent two weeks in the county on the state of any necessities of life.

Old Not Know It Was Loaded

Old Not Know It Was Loaded.

Cumberland, Md., Jan. Al.—Herschall Vinson, near Stinnon. W. Va., heard an owl in the yard and accured his shot-gus, but falled to locate the intruder. Fix throat the loaded weapon under the bed and forgot about it. Everett, aged seven, son of Mr. Stinson, was sitting, on the bed holding the baby in his arms, when Kanacth, his eleven-year-old brother, and knowing the gun was loaded, pointed it at him and the weapon was discharged. Everest was killed instantly, and the baby was trightfully injured, om, of its eyes being forn out and other woulds inflicted, but there is some hope for its recovery.

Chicago, Jan. B.—Charles Gilbert Wheeler, noted chemist and mining peologist, is dead at the home of his brother here. He was averany-five years old. He was the last nurvivor of the original faculty of Chicago University.

Crown Prince Goes to Switzerland. Berlin, Jan. II.—Crown Prince Pred-erick William left to-day for Switzer-land to resuperate from the recent III. hear. He was accompanied by Crown Princess Cedific. They are as stay sex-eral weeks at Celerian, in the Upper Engadine, near St. Moritz.

Tucker a Candidate. Richmond, Va., Jan. 21.—Harry St. Seerge Tucker to-day announced his andidacy for governor.

# LORD ROBERTS UTTERS WARNING TO ENGLAND

Lord Roberts, the aged British field marshal, whose opinion after his long and successful career should be entitled to every consideration, once more has raised his voice in selemn worning. The weteran soldier, who is perfectly right when he says that he "knows something about war," reiterates his belief that in rome vital respects Great British is "perflously unprepared for the great war into which that country may be forced at any time, and which, in his opinion. Register had but narrowly escaped har fail." The force of his words betray his anxiety at what he sees before the nation.

anxiety at what he sees before the nation.

Lord Roberts has said all this and much more before. Again he sounds the note of apprehension that the "British regular army is unready for war," that his nations in the imperiant matter of aviation that the script of the property is expended by the said insidiant," as note that the script and insidiant, as not his "host and insidiant," as not his "this charm army said insidiant," as not his "this charm army said the said of t

To judge from appearances and the disregard in which Lord Roberts' warning is beld, there is very little evidence that the significance of his words is being realized. If it had been, there would be such an agitation throughout

would be such an agitation throughout that country as speedily would sweap aside Lord Haldane's unsupported denials and insure the placing of England's defenses upon a sound and adequate banis. Perhaps the British war secretary does not wish to see, or, seeing, hides what he sees. The kernel of the whole situation is the imperative need of a compulsory service like that in France or Germany. This, in Lord Roberts' words, is "essential to the future greatness and stability of the British emples. And he accepted and put into action shall England be free from the ever-present peril of a successful invasion. Invasion by whom? Answer, of course, Germany!

It is true that, in his speech at Brad-
